Sound Audio Fair

We have been in the sound system business for over 4 decades, so we know what we're talking about.

We sell high quality pro audio equipment at reasonable prices. Also, offer genuine impartial advice and won't sell it to you for the sake of it. If you don't need, we won't sell! We offer great after care service.

The Fair offers the opportunity to come along to:

- Buy pro audio equipment
- Get expert advice and help
- Network with others from the sound system community
- Pay with various payment options
- Drop into the Sound Clinic – coming!

Catering

Provided by Lizzy Gee, Thelma, Debbie, Ayisha. Great selection of food and drinks (like stew chicken, fish, patties, natural homemade juices)

Glen & Berisford – Ramjam Radio

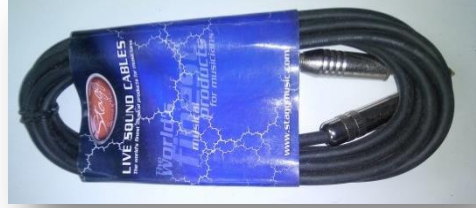

Thanks for continued support
